

AusBiotech 2010 Excellence Awards

Call for Nominations

Outstanding contribution by an individual member and outstanding contribution by an individual with a member company

The AusBiotech Excellence Awards will be awarded to individuals who have already made a significant contribution to the biotechnology industry, and through their leadership continue to make a difference to the growth of the industry.

Selection Criteria

- Candidates must be employed within an organisation whose core business is biotechnology or medical devices;
- Candidates will be seen as leaders or emerging leaders in the biotechnology industry;
- Candidates must already have made a significant difference to the industry. And have a commitment to biotechnology that often goes beyond the "job description" or has been a particular emphasis within a broader portfolio;
- Candidates will be known for their passion, enthusiasm and commitment to the biotechnology industry in Australia; and
- Candidates must be a financial individual and/or be employed by a corporate member (as a corporate representative or nominee) of AusBiotech.

Selection Process

- Nominations are invited from CEOs/Managing Directors (or a delegate) of financial corporate members of AusBiotech;
- The nominated person is required to provide a brief written statement supporting the nomination;
- Nominations should be addressed to the Chair of AusBiotech, Dr Deborah Rathjen, and received by close of business **Friday 1 October 2010**.

Award Announcements

- The AusBiotech Excellence Awards will be presented at the AusBiotech 2010 National Conference being held in Melbourne from 19-22 October 2010 during the Conference Opening Plenary on Wednesday 20 October (*AusBiotech will inform recipients prior to the conference and will provide recipients with a complimentary conference registration in order to attend to accept the award*).

Please forward nominations to:
