## AUSBIOTECH 2010 NATIONAL CONFERENCE SPEAKERS' PROFILE

**Dr Dean Moss**  
**General Manager, Life Sciences**  
**UniQuest Pty Ltd**

Dean Moss has more than 25 years' experience in science, universities, business, management and commercialisation in Australia, USA and the UK. He has been Managing Director or a senior manager in a number of health and biotech companies worldwide, including Binax, Launch Diagnostics, AMRAD Biotech, AMRAD ICT, United Drug and his own successful start-up business in the UK, York Medical Technologies. Within UniQuest, Dean is responsible for the management and commercialisation of intellectual property across the life sciences at The University of Queensland, James Cook University, The University of Tasmania, University of Technology Sydney, the University of Wollongong and the Mater Medical Research Institute. Prior to moving into the commercial world, Dean was a research scientist at Agen Biomedical, an NHMRC Research Officer at QIMR and has a PhD in Medicine from UQ.
