AUSBIOTECH 2010 NATIONAL CONFERENCE SPEAKERS' PROFILE

Dr Doug Onsi
Managing Director
HealthCare Ventures
United States

Doug Onsi is a Managing Director at HealthCare Ventures, a leading life science venture capital firm investing in pre-clinical or early clinical stage companies with the potential to transform patient care. He was previously at Genzyme Corporation, where he served in roles as Vice President, Campath Product Operations and Portfolio Management, Oncology and as Vice President, Business Development. Prior to joining Genzyme, Doug was chief financial officer of Tolerx, Inc., a HealthCare Ventures portfolio company. Before joining Tolerx, he was in business development at LeukoSite, another HealthCare Ventures company. He began his career as a corporate attorney at Bingham Dana LLP. Mr. Onsi is a member of the business and scientific advisory board for FastForward, a subsidiary of the National Multiple Sclerosis Society, and on the Cornell University Council. He received a Juris Doctor degree from the University of Michigan Law School and an undergraduate degree in biology from Cornell University.
