AUSBIOTECH 2010 NATIONAL CONFERENCE SPEAKERS' PROFILE

**Dr Hiram Chipperfield,
Consultant
ERA Consulting**

Hiram is currently a Regulatory Affairs Project Manager for ERA Consulting and is the Australian office's biomarker specialist. Hiram is currently managing a variety of therapeutic products and is typically involved from early development through to the products clinical evaluation. Prior to joining ERA Hiram spent 10 years in research as a Fellow at the Institute of Medical Biology, A*STAR and a Research Scientist for ES Cell International in Singapore. He was also at Harvard where he conducted his Post-Doctoral research on both mouse and human embryonic stem cells.
