AUSBIOTECH 2010 NATIONAL CONFERENCE SPEAKERS' PROFILE

Dr Jo Mitchell
**Associate Director Research, Ethics and Public Health
Training**
NSW Health

Jo has a background in population health including the application of evidence to policy and practice. Her current responsibilities include leading the development of policies and programs to support effective governance of research (including streamlined ethical review processes); encouraging excellence in public health and health services research; and strengthening an evidence-based approach to health policymaking in NSW.
