## AUSBIOTECH 2010 NATIONAL CONFERENCE SPEAKERS' PROFILE

**Dr Julian Clark**  
**Head of Business Development**  
**Walter and Eliza Hall Institute**

Dr Julian Clark is currently Head of Business Development at the Walter and Eliza Hall Institute in Melbourne and for several years has operated his own consulting business, Julian Clark Consulting Pty Ltd. Drawing on more than 30 years of international and cross-cultural business experience in growing and leading technology and healthcare enterprises, large and small, Julian assists organisations with development, commercialisation and organisational strategies to secure sustainable growth. Julian has many years direct experience in translating science into outcomes through senior positions in Sweden, Great Britain, Japan, North America, India and Australia. In recent years he has been particularly active in translating opportunities across the public-private-community interfaces and in assisting research organisations to respond strategically to change.

Recently, Julian was the founding CEO of the Cancer Therapeutics CRC, a Director of Alchemia Limited and Genera Limited, and is a Fellow of the Australian Academy of Technological Sciences and Engineering, and a Member of the Australian Institute of Company Directors. He has a PhD from the University of Glasgow and an Honorary Doctorate from the University of South Australia. Currently, Julian is also a Director of Cancer Trials Australia, BioGrid Australia, and BACE Therapeutics .
