## AUSBIOTECH 2010 NATIONAL CONFERENCE SPEAKERS' PROFILE

**Dr Lisa A. Haile**  
**Partner**  
**Co-chair, Global Life Sciences Group**  
**DLA Piper LLP**  
**United States**

Dr. Lisa A. Haile is a partner at DLA Piper US LLP and co-chair of the firm's Global Life Sciences Sector Group. Her practice focuses on strategic counseling relating to all areas of biotechnology and life sciences intellectual property law. She concentrates on patent protection with special technical experience in molecular biology, immunology, plant biotechnology, including transgenic plants, cell biology, diagnostics, therapeutics, theranostics, virology, drug delivery systems, host-vector systems, high throughput screening, stem cells, and bioinformatics. Particular experience with patentability, non-infringement, and validity opinions, licensing strategies, FDA counseling, due diligence work in connection with venture capital, private, and public financing, mergers and acquisitions in the life sciences industry, and strategic counseling for comprehensive life sciences patent portfolio and business management.

Dr. Haile was named as one of the top 45 Lawyers Under 45 by American Law Magazine, in January 2003. She was the only San Diego Lawyer to be named to the list and only one of seven women. Dr. Haile was named as a "Top Attorney in San Diego" in 2008 and 2009; named to the list of "Best Lawyers in America" from 2005-2009; named by the California Daily Journal as one of California's Top Intellectual Property Lawyers in 2009 and named as one of the Top 25 Patent Managers in California by the California Daily Journal in April, 2008 and 2009. Dr. Haile received her J.D. from California Western School of Law in San Diego, California; her Ph.D. from Georgetown University School of Medicine, Washington, D.C., in Microbiology and Immunology.
