AUSBIOTECH 2010 NATIONAL CONFERENCE SPEAKERS' PROFILE

Margaret Stuart
Director
Margaret Stuart & Associates

Margaret has over 20 years specialist communication and issue management experience in the healthcare and agribusiness sectors, working in both consulting and in-house roles in Australia and New Zealand. Her background includes helping small listed biotech companies to maximise value and improve market opportunities by proactively managing reputation, working with large and small companies to manage issues such as genetic modification and stem cell research, and working in corporate communication and issue management roles in Novartis, Syngenta and Schering-Plough.
