AUSBIOTECH 2010 NATIONAL CONFERENCE SPEAKERS' PROFILE

Megan Thomas
Research Manager
Jamieson Laboratories
Ontario, Canada

Megan Thomas is currently the Research Manager at Jamieson Laboratories in Windsor, Ontario, Canada. At Jamieson, her role includes monitoring current research and consumer trends to identify emerging opportunities as well as evaluating new ingredients for safety, efficacy and compliance.

Ms. Thomas received an undergraduate degree in Nutritional Sciences from the University of Guelph and then stayed to complete a Masters Degree in Nutritional Toxicology. Prior to coming to Jamieson, she spent 6 years in the dietary supplement industry as the Manager of Research for a large sport nutrition company. She currently serves on the board of directors for the Natural Health Product Research Society of Canada, an organization with the mission to bridge the gap between academic research and commercialization of natural health products in Canada.
