AUSBIOTECH 2010 NATIONAL CONFERENCE SPEAKERS' PROFILE

Mitch Kirkman

**Manager - Process, Training and Quality, International Clinical Operations and
Oncology General Monitoring Organisation
Novartis**

Mitch has more than 20 years experience in the management of global drug development with both large pharmaceutical companies and a global contract research organisation. Mitch has been active in engaging with government and health jurisdictions on initiatives to keep Australia globally competitive in regards clinical trials. He was a member of the Pharmaceutical Industry Strategy Group commissioned by Minister Carr in 2008/9 and, more recently, the Clinical Trial Action Group commissioned by Minister's Carr and Roxon at the end of 2009.
