AUSBIOTECH 2010 NATIONAL CONFERENCE SPEAKERS' PROFILE

Rebecca James
Chief Executive
Research Australia

Rebecca James joined Research Australia in January 2006, and was appointed Chief Executive in July 2006. Research Australia is a broad based industry peak body to support Australian excellence in health research. Rebecca has extensive experience working within government, health services and medical research advocacy. She has been appointed by Hon Nicola Roxon to the position of Director of the National Breast and Ovarian Cancer Center. Rebecca is also a Director of Neopec, which, through the O'Brien Institute in Melbourne, is developing a revolutionary technique to re-grow breast tissue after mastectomy.
