AUSBIOTECH 2010 NATIONAL CONFERENCE SPEAKERS' PROFILE

Dr Valentia Lee-Brotherton
Director, Toxicology
Ashuren Health Sciences
Canada

Dr Lee-Brotherton has been assisting companies with the strategic planning and implementation of product development programs for over 10 years. She has tailored detailed product development strategies for new drugs and biopharmaceuticals in a variety of indications, leading projects from early stages to international acceptability.

As an experienced toxicologist and regulatory scientist, Dr. Lee-Brotherton is involved in the design of nonclinical testing programs, toxicology issues resolution, preparation and review of regulatory submissions, and regulatory agency interactions.
